Newborn Photography

HELLO & WELCOME

*“Photography is a way of feeling, touching and loving.
It remembers the little things, long after you have forgotten.”*

- AARON SISKIND -

Hello & thank you for considering me to be your baby's first photographer! I've been photographing newborns since 2016 and absolutely love capturing these first tiny moments of your new little one.

Having 3 children of my own, I know how precious and fleeting this time is with a new baby & believe it is so important to have a beautiful collection of timeless images to look back on and admire in the years to come.

THE EXPERIENCE

BEFORE YOUR SESSION

AS SOON AS YOU MAKE THE DECISION TO BOOK A SESSION, PLEASE CONTACT ME. I like to discuss the specifics and talk about your vision for our session. This will allow me to get to know you better and will give me more of an idea of what you are looking for in your session in terms of styling & colours. As I have limited availability, it is important to book as soon as possible. Most newborn sessions are done when baby is between 7-14 days new, so please get in touch with me as soon as you can once you've given birth.

DURING YOUR SESSION

ON THE DAY OF YOUR SESSION, WE WILL MEET AT MY HOME STUDIO IN MELVILLE, PERTH. Our session will range from 2 to 3 hours, depending on how sleepy baby stays. I do recommend baby has a warm bath & a full feed just before driving to the studio. We will have plenty of time to chat, cuddle & feed baby during the session. I am always very calm & gentle during my sessions - this I believe helps baby feel safe and secure and sleeping soundly for as long as possible.

AFTER YOUR SESSION

NOW IT IS TIME FOR THE CREATIVE PROCESS TO BEGIN! After your session, I will begin the photo editing process, including setting up your personal online gallery. This process generally takes one to two weeks, depending on how busy I am. Once your gallery is complete, I will contact you via email with your online gallery link and password. I have a range of gorgeous wall art & print products available for you to purchase with your beautiful new images. Many of these products will be in the studio during your session for you to have a closer look at before purchasing.
